TO WHOM IT MAY CONCERN

We appointed Amazing Transport to move our entire warehouse and administration offices from our Sandton offices to our new building in Midrand. This move commenced early November 2015 and finished mid December. It was a large and complex process due to the large volumes and high value of our goods as well as furniture and records.

Throughout the entire relocation process, Amazing Transport proved to be highly efficient, helpful and trustworthy and they were very accommodating when we needed arrangements changed.

The entire move was extremely successful and resulted in us finishing a week ahead of schedule.

I would have no hesitation in recommending Amazing Transport for any relocation project.

Yours sincerely

VIJAY NAICKER
Director
