RE: REFERENCE LETTER

This letter serves to confirm that Amazing Transport & Warehousing attended to our entire office move on the 30th & 31st March 2009.

Everything was conducted in an extremely professional manner. There was an Operational Manager on site at all times who supervised the move from start to finish. This helped with the efficiency and co-ordination of the removal of all our office furniture, computers, pictures etc, from the required dismantling, moving and reassembling of the furniture. The Directors also showed up regularly to check on our progress.

All their staff were helpful and polite at all times and always willing to assist where necessary.

I would highly recommend them to anyone who needs to move and would use them again if the opportunity presented itself.

Should you need to contact me, please do not hesitate to do so.

Yours sincerely

**HAYLEY LEWIS
OFFICE MANAGER**
