Dear Jody

**OFFICE RELOCATION : MOMENTUM AFRICA**

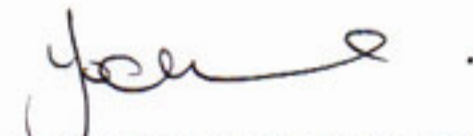

Thank you for assisting us in our relocation from Melrose Arch to Houghton.

As a complex, Melrose Arch is quite a challenge to move out of and you moved not one, but two of our offices out of the complex!

Thank you for the long hours you and your team put in to make the move successful, your ability to adapt to last minute changes and requests and also the friendly nature of your staff. It was also most assuring to know that when any of you were needed, you were but a phone call away from start to finish.

After sales service is key to any company's success and Amazing Transport have mastered this. Well done !

Yours sincerely

**YOLANDA VAN DER MERWE**
