LETTER OF RECOMMENDATION – AMAZING TRANSPORT

It's my pleasure to provide this letter of recommendation for Amazing Transport.

This was a big move to undertake, we consolidated from 3 buildings into one 38 000sqm building, which was no easy task. Amazing moved all of our office space, as well as hundreds of large and small branding machines, some of which needed very specialized equipment.

Having looked at a couple of other companies Amazing Transport was the front runner in terms of being flexible to our requests and assisting us in the planning. Communication during the move was consistent and our management team was always kept in the loop.

Overall our move was a success and therefore we highly recommend them.

Regards
